Re: Women-owned Business Enterprise (WBE) Certification
Type: Manufacturers

Dear Ms. Barag:

We are pleased to inform you that The Port Authority of NY & NJ has certified your business to participate in the agency's Women-owned Business Enterprise (WBE) Program. **HiReli, LLC**, is now included in the Port Authority's on-line directory of certified MWBEs which can be access at: <https://panynj.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory>.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Business Diversity and Civil Rights in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until July 8, 2024, after which you must submit a new MBE certification application with supporting documentation. The application can be accessed from our Web site: www.PANYNJSD.com.

If you have any questions regarding your certification, you may contact me at (201) 395-3945 or via email at plondon@panynj.gov.

Sincerely,

Paula London
